

# Tracy Adult Soccer League Fair Play Policy

The fundamental purpose of the league is FUN AND RECREATION. Our goal is to promote friendly competition in a safe and fun environment that fosters respect, fair play, and sportsmanship. For this reason, we have adopted the following policy.

The Tracy Adult Soccer League (TASL) Board of Directors has the authority to discipline any player or team for violating the league rules and the spirit of the league. This may include the decision to caution, reprimand, suspend or place on probation a player or team. The following are examples of conduct that is detrimental to the league.

- Harassing a referee, TASL board member, league official or player using profanity or any language normally considered offensive and/or abusive.
- Threatening to inflict bodily harm to any referee, TASL board member, league official or member.
- Playing in a manner that is rough or contradictory to the concept of the League.
- Conduct that is extremely detrimental to the members of Tracy Adult Soccer League or the failure to follow the direction of a TASL board member.

The TASL board will decide upon and implement any needed actions against a player, team, team rep, referee or any contributor to the league not specifically outlined in the Bylaws in order to keep the league safe, friendly and recreational.

Thank You,

TASL Board of Directors
